

YK-501MZ**Led Search Light****Features:**

- Ultra Bright Led Light
- High Intensity Light
- Extensive Lifetime of Led
- Multi-mode Operation

Technical Specifications:

- Operating Temp -10 To +55 Deg C
- Input AC Charging: AC 220 V 50 Hz .
- Rotate the head to focus
- light source: XPE cree bulb
- Button Function:3 mode(high light-weak light-flashlight)
- Long press :SOS
- Surface treatment: wear proof anodized oxide
- Crust material: Aluminum Alloy
- Switch: push-button middle switch
- Weight: 379.5g/PC
- Dimension: length*head dia.*tail dia. 177*39*27mm
- power supply: 2 lithium battery 18650 or 4AA dry battery
- Max Lumens: 800lm
- Led service life: more than 100.000 hour
